Interest rate details

- Interest rate 12 currencies are in accordance with the Bank's announcement (Some currency no interest rate) (Reference to current interest rate announcement of the bank)

Interest payment and conditions

- Interest rate is available at www.krungsri.com
<https://www.krungsri.com/bank/en/Other/Interestratesfees/Interestratesfeesandconditions/ForeignCurrencyDepositInterestRates.html>

Example of interest calculation

- **Accrue interest** = $\frac{\text{Principle} \times \text{Annual Interest Rate} \times \text{Actual Deposit Period}}{100}$ 365 or 360
- **The base of number of days per year applied to the interest calculation varies by currency of deposit as follows:**
 - The base of 365 days per year is applied to GBP, SGD and HKD.
 - The base of 360 days per year is applied to other currencies.

Remark • Principal and the interest rate per annum are calculated by currency of deposits
• The exchange rate shall be the Bank of Ayudhya T/T Buying Rate at the end of the date of interest calculation.

Interest paid period

- Savings account: The Bank pays interest to twice a year, June and December of each year, based on the interest rates and terms specified in the Bank's announcement regarding foreign currency deposit interest rates.
- Time Deposit account: Interest payments shall be based on the agreed deposit term of particular deposits at maturity date.

Main conditions

- Current accounts (non – cheque)
- The Krungsri FCD Chip Card (FCD-ATM card) is suitable for Thai and foreign individuals
- For FCD savings and current accounts, an FCD card is issued as evidence of deposits instead of a passbook.
- For FCD time deposit accounts, a passbook is issued as evidence of deposits and for updating account movements at the passbook update machine.

Deposit / Withdrawal / Transfer Conditions

Interest rate in case of not follow to deposit conditions

- For month-term deposit accounts, if depositors withdraw their term deposit before it reaches the end of one month, the Bank will not pay interest. However, if depositors withdraw their term deposit after one month but earlier than maturity date, the Bank will pay interest based on the withdrawn amount and the number of days the deposit has been in the account using the savings interest rates applicable to particular currencies as at the deposit date.
- In the case of withdrawal of a partial deposit, the remaining deposit shall roll over at the interest rate for the same term until maturity date. If the maturity date falls upon any Bank's public holiday, the Bank will calculate interest based on the number of days including the public holidays (Post TD Interest) concerned for customers who undertake withdrawal transactions on the next business day.

Account maintenance fee

- As for foreign customers' accounts of which the outstanding balance is less than the requirement specified by the Bank and has been inactive for 90 consecutive days, the Bank will charge a monthly account maintenance fee of USD 10 or its equivalent as specified by the Bank.
